Cascade Aquatic and Recreation Center Four Year Charter Membership Information

A Four Year Charter Membership will be a four year full facility membership which will begin with the Cascade Aquatic and Recreation Center official grand opening. This \$1000, 4-year Charter Membership is available to all residents of the SVCRD and non-residents who own property in the district and pay the residential property tax to the Valley County Tax Collector. Additional family members can be added annually at the current rate effective at the time they are added. Non-SVCRD-residents can purchase a 4 year full facility Charter Membership for \$1500.

Charter Memberships are designated as individual memberships, additional family members can be added annually at the current rate effective at the time they are added.

The purpose of the Charter Membership is to generate additional funds for timely construction of the Cascade Aquatics and Fitness Complex.

Charter Memberships will be sold by the Southern Valley Recreation District and payment plans can be arranged by contacting the our office.

This is an advance payment for a future membership and may not be tax deductible. Please consult with your tax professional for advice.

All Charter Members will have special notice of SVCRD construction related special events.
